Teach Latin II at Independence Academy

Independence Academy provides a liberal arts education, including the study of Latin, in a disciplined academic environment. It provides the groundwork for an understanding of the foundation of our society, while developing the leadership capacity of our students so that they may serve as leaders in their communities.

Level II Latin includes a more advanced study of the knowledge and skills previously gained using stories of Roman life, history, and mythology. Coursework involves a study of advanced grammar, additional vocabulary, and translation of works of authentic Roman authors. Aspects of Roman culture, including important persons, places, and events, continue to be taught during the second year of Latin study. Successful completion of Level I Latin is a prerequisite for the study of Level II Latin.
